

Enrollment planning isn't complete until you have Aflac

Who hasn't been blindsided by an unexpected medical bill? That's why there's Aflac. Aflac can help take care of the expenses health insurance doesn't cover, so you can take care of everything else.

Here are some of the supplemental insurance policies Aflac offers:

Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits, unless assigned otherwise, to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer occurs.

Hospital Confinement Indemnity

Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.
