

PROCLAMATION
Recognizing Building Safety Month

WHEREAS, the Town of Marana recognizes that our growth and strength depend on the safety of our homes, buildings, and infrastructure – both in everyday life and when disasters strike; and

WHEREAS, confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, and others in the construction industry – who work year-round to ensure our buildings are safe; and

WHEREAS, Building Safety Month is sponsored by the International Code Council to remind us about the critical role our local code officials play in assuring safe, sustainable, and affordable buildings that are essential to our prosperity; and

WHEREAS, “It Starts with You” – the theme for Building Safety Month 2023 – encourages all to raise awareness about building safety on a personal, local, and global scale; and

WHEREAS, each year, in observance of Building Safety Month, people all over the world are asked to consider their commitment to improve building safety, resilience, and economic investment at home and in the community, and to acknowledge the essential services provided to all of us by local and state building departments, fire prevention bureaus, and federal agencies in protecting lives and property.
