

**PROCLAMATION**  
**Recognizing Fire Prevention Week**

**WHEREAS**, the Town of Marana is committed to ensuring the safety and security of all those living in and visiting our Town; and

**WHEREAS**, fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and

**WHEREAS**, home fires killed more than 2,800 people in the United States and fire departments responded to 338,000 home fires in 2021, according to the National Fire Protection Association (NFPA); and

**WHEREAS**, cooking is the leading cause of home fires in the United States and fire departments responded to more than 166,400 annually between 2016 and 2020; and

**WHEREAS**, two of every five home fires start in the kitchen with 31% of these fires resulting from unattended cooking; and

**WHEREAS**, to help prevent home fires, Marana residents should turn pot handles toward the back of the stove; always keep a lid nearby when cooking; keep a three-foot kid-free zone around the stove, oven, and other things that could get hot; watch what they heat; and set a timer to remind them that they are cooking; and

**WHEREAS**, in addition, residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire and working smoke alarms cut the risk of dying in reported home fires almost in half; and

**WHEREAS**, Marana's first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

**WHEREAS**, the 2023 Fire Prevention Week theme, "Cooking Safety Starts With YOU. Pay Attention to Fire Prevention," effectively serves to remind us to stay alert and use caution when cooking to reduce the risk of kitchen fires.

**NOW, THEREFORE**, I Ed Honea, Mayor of the Town of Marana, do hereby proclaim October 8 - 14, 2023, as Fire Prevention Week throughout the Town, and I urge all residents to check their kitchens for fire hazards, use safe cooking practices, and to support the many public safety activities and efforts of Marana's fire and emergency services.

Dated this 3rd day of October 2023.
