INTRODUCTION

Welcome to the Town of Marana Benefits Guide for 2024-2025

This guide describes the voluntary benefits available to you, as a benefit eligible employee for the 2024-2025 benefit plan year. Throughout the guide you will find summaries of the benefits offered, plan comparison charts, and contact information for the vendors and the Town of Marana's Human Resources department. You will also learn about additional tools and resources you can use through the various vendors' websites. This guide will help you understand your benefits. Detailed plan descriptions and additional supplemental information about each of these programs is located on the employee portal benefits page: www.maranaaz.gov/benefits.

CHALLENGE YOURSELF!

The theme for FY 2025 is "GET IN THE KNOW"! Throughout your New Hire Enrollment and the coming year we encourage you to "GET IN THE KNOW" about: your benefits; your retirement plan; know your numbers (biometrics); your health/wellness; the Town of Marana; your family; your neighborhood; your co-workers; your interests; the list is endless! Challenge Yourself to "GET IN THE KNOW" and be informed; make informed decisions. Part of your physical well-being is all around wellness- emotionally, physically, mentally, and financially. What knowledge will positively enhance your life?

This year I would like to "GET IN THE KNOW" about: _____!

If you would like to share your challenge, please send it to Human Resources via email at HumanResources@maranaaz.gov. If you wish to remain anonymous, please indicate on your submission.

TIP

REMEMBER! Open enrollment is the one time of year you can make any adjustments you'd like for the upcoming plan year.

Except as noted above, all elections made during open enrollment will remain in effect until the next plan year, unless you or an eligible dependent experiences a qualifying event. If you experience a qualifying event, you must contact HR within 30 days of the event. A list of Qualifying Events is located on the employee portal benefits page, or call HR.

WHAT I NEED TO DO

Newly hired benefit eligible employees are eligible for health benefits effective the first day of the month following 30 days of employment. Employees who are newly benefit eligible due to a change in employment/job status, are eligible for health benefits the first day of the month following 30 days of employment in your newly benefit eligible position. You must complete your benefit elections prior to the effective date for your benefits to begin. Delays in completing your elections could delay your effective date or preclude you from enrolling until the next annual open enrollment or qualifying event.

Before You Enroll

- Review this guide, the materials in your benefit packet and the resources available on the employee portal to help decide which plans are the right ones for you and/or your family.
 - Directions for accessing the employee portal and Employee Self Service are on the next page
- Plan/prepare to provide the Social Security Number for all dependents on your plans. To comply with the Affordable Care Act, you are required to provide the SSN of all persons covered on the medical plan.

Ready to Enroll*

You will receive an email from Human Resources letting you know your benefits are now available for you to make your elections in Employee Self Service (ESS).

- Log into Munis Self Service
<https://selfservice.maranaaz.gov/ess/>
- Review and submit your final selections
- Print or save a copy of your confirmation statement
- Email Human Resources to let them know you completed your elections

***Step-by-step enrollment instructions are on pages 8-9**

Contact your department liaison or Human Resources if you need any additional assistance or have any questions about the plans available to you.

WHAT I NEED TO DO

Accessing/Navigating the Employee Portal

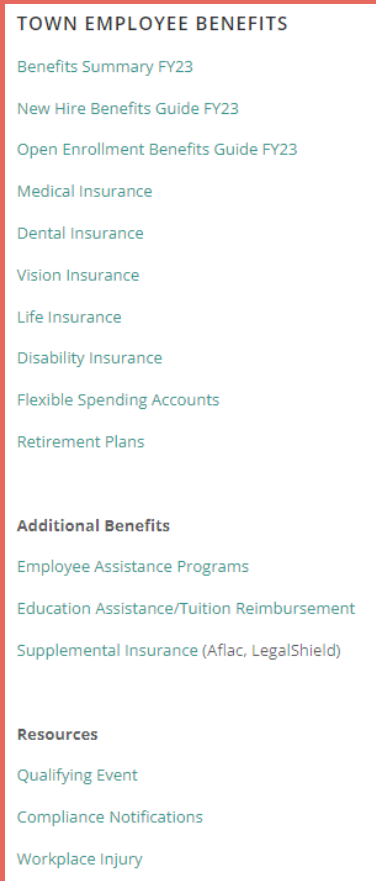

The Employee Portal can be accessed from any computer (at work, at home, etc.).

www.maranaaz.gov/employee-portal

Once you are on the employee portal, you have access to many important things. We encourage you to explore the portal and become familiar with the resources and documents available to you online. For the purpose of this guide, we will focus on two areas- the link to Benefits and the link to Employee Self Service (if you do not remember the shortcut).

Select the link for **Resources** then scroll down to HUMAN RESOURCES and select '**Benefits & Compensation**' under 'Employee Resources' section to access information on the benefit plans.

The benefits page also includes the link to Munis Self Service in the introductory paragraph.

<https://selfservice.maranaaz.gov>

The Benefits page is broken down into the various types of benefits offered to full time and part-time (working at least 20 hours per week) employees, i.e. Medical, Dental, Vision, Life Insurance, etc. Within each section, you will find additional information about that type of benefit, including but not limited to: the plans offered, plan descriptions and summaries, provider contact information, supplemental resources and links to the various vendors' online and mobile access.

Please take the time and carefully review all of the information included and **GET IN THE KNOW** about the full benefits package offered to you as a new employee at the Town of Marana.

ELIGIBILITY

Special Note for Dependents

For compliance with the Patient Protection Affordable Care Act, you are required to provide the SSN of all persons covered on the medical plans.

Eligible Employees

Full-time and part-time employees who work 20 or more hours per week are eligible for benefits.

- Eligibility begins on the first of the month following 30 days of employment in a benefit eligible position
- Employees who average 30 hours per week, in a non-benefit eligible position, may be offered medical benefits the following plan year in accordance with the provisions of the Patient Protection and Affordable Care Act.

Eligible Dependents*

During Open Enrollment you may add the following dependents to your plans:

- Your legal spouse (not divorced or legally separated)
- Your child (natural, step, legally adopted, legal guardianship) under the age of 26 (disabled children over age 26 may also be eligible for coverage)
 - Medical, dental, and vision- coverage extends to the end of the month in which s/he turns age 26 (regardless of student, marital status, residency or financial dependency)
 - Supplemental Life Insurance- covers dependent children up to age 26.
 - FSA/HSA- coverage is for tax-eligible dependents

Dependent Eligibility Audit

Your documentation may be audited to determine dependent eligibility according to the plan requirements. Supporting documentation for dependent eligibility may include: marriage license, birth certificate, court documents for guardianship, adoption, etc.

Continuing Eligibility through COBRA

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, amended by the Health Insurance Portability and Accountability Act (HIPAA) of 1996, provides that covered employees and their qualified beneficiaries may continue health insurance coverage under the Town of Marana’s health plan when a “qualifying event” would normally result in the loss of eligibility. The Town shall follow all applicable federal and state laws in determining what constitutes a qualifying event. See the list of Qualifying Events on the employee portal benefits page.

Qualifying Events

During the plan year, you and/or your dependents may experience a qualifying event. Qualifying events may entitle you to make changes to your benefit elections outside of the annual open enrollment. Changes in dependent eligibility require you to notify HR. **Please contact Human Resources within 30 days of a qualifying event if you wish or are required to make changes to your benefit elections.**

Additional information about qualifying events is located on page 11 of this guide or on the employee portal: <http://www.maranaaz.gov/gle>

You will receive a welcome kit from Blue Cross Blue Shield of Arizona and/or Health Equity with additional information regarding your Health Savings Account. This packet will also include information to complete the Customer Identification Process (CIP). Additional information is on pg. 16 of this guide.

IMPORTANT BENEFITS INFORMATION

ID Cards

ID cards for your medical, dental and vision elections are mailed directly to your home address, from your vendors. They typically arrive within two weeks of your benefits effective date. If you need a temporary or replacement card:

- Contact your vendor or Human Resources to request a replacement card
- Most vendors allow you to request a replacement or temporary ID card when you set up and login to your profile or their website.
- Your profile will also give you access to additional resources available through your vendor.

Pre-Tax Benefits

Pre-tax benefits are those in which your premiums are deducted from your gross earnings before federal, state, and social security taxes are calculated/deducted. Pre-tax benefits lower your taxable income. Federal regulations restrict when changes can be made to pre-tax benefits.

Changes to your pre-tax medical, dental, vision, and flexible spending account (FSA) and your post-tax life insurance and short term disability (due to plan restrictions) can only be made at the following times (additional restrictions and/or limitations may apply):

- Open Enrollment (changes are effective July 1st)
- During a Qualifying Event

Note: 457 plans are a pre-tax benefit but employees are permitted to make changes to their contributions throughout the year

Post-Tax Benefits

Post-tax benefits are those in which your premiums or contributions are deducted after your federal, state, and social security taxes have been calculated. They do not have any impact on your taxable income. Changes to your post-tax benefits (Aflac, and Legal Shield) can be made anytime during the year, you do not need to wait for Open Enrollment or a Qualifying Event.

Imputed Income

The IRS requires you to be taxed on the value of employer- provided group term life insurance over \$50,000. The taxable value is called imputed income (see Internal Revenue code section 79 for more information). On a monthly basis, your taxable income will be adjusted to account for, and tax, the coverage in excess of \$50,000.

NOTE: Supplemental life insurances and short- term disability (STD) are post-tax plans; however, changes are only permitted during a Qualifying Event or Open Enrollment.

Changing Your Benefits

After you've made your initial benefit elections as a new hire or newly benefit eligible employee, you may only make changes to your pre-tax benefit elections during Open Enrollment or a Qualifying Event.

Open Enrollment occurs annually and is a time when you can review and make changes to your benefit elections and/or the eligible dependents covered on your plans. Changes made during Open Enrollment are effective July 1st for the new plan year. Plan guides are provided each year to notify you of any changes to plans, premiums, coverage, etc.

IMPORTANT BENEFITS INFORMATION

Qualifying Events are circumstances that permit you to make allowable changes to your benefit elections. Allowable changes are based on the type of Qualifying Event. Please contact Human Resources for more information about the changes allowed during a Qualifying Event.

Types of Qualifying Events include but are not limited to:

- Marital Status Changes (marriage, divorce, legal separation, annulment, death of spouse)
- Dependent Status Changes (birth, adoption, death of child, child reaches age 26)
- Employment and/or Benefit Eligibility Status Changes (you and/or your dependents experience changes at work that affect your benefit eligibility on your or your dependents plans)
- Residence Changes (you or your dependents change residence to a location outside the plan coverage area)

Submitting a Qualifying Event

Qualifying Events require supporting documentation to substantiate the changes and need for a special enrollment. A Benefit Change Form (located on the employee portal) and supporting documentation must be completed and submitted to Human Resources **no later than 30 days from the date of the qualifying event**. Requests will be processed in accordance with IRS regulations and consistent with the provisions of the Town of Marana Plan.

Note: Some plans have restrictions, limitations, and/or other requirements for changes made during Open Enrollment or during a Qualifying Event. These restrictions may not apply if you enroll in the plan as a new hire or newly benefit eligible employee. It is important to review the plans and your elections carefully during your initial enrollment period.

Qualifying events that result in a dependent no longer being eligible on the plan must be reported to Human Resources within 30 days of the event. Failure to notify Human Resources will result in the dependent being removed from the plan retroactive to the date of the qualifying event; however, you will not be permitted to have your premiums adjusted and will continue to pay for that dependent as if still covered until the next annual Open Enrollment.

TYPE OF EVENT	EXAMPLES OF EVENT TYPE	EFFECTIVE DATE OF CHANGES FOR QUALIFYING EVENTS Upon completion and submission of Benefit Change Form and supporting documentation to HR
Lose Eligibility	Divorce, legal separation, death of spouse/child, child turns 26 years old, lose coverage under another plan	Changes are effective the first of the month after the date of event and submitting paperwork to HR
Gain Eligibility	Birth, Adoption, Legal Guardianship	Date of the Event
	Marriage, gain coverage under another plan, qualified medical child support order (QMCSO)	Changes are effective the first of the month after the date of event and submitting paperwork to HR

Medical Plan Options

The Town of Marana offers three medical plan choices through **Blue Cross Blue Shield (BCBS) of AZ**: the **Copper Plan**, the **Teal Plan**, and the **Heritage Plan** (a high deductible plan with a Health Savings Account).

All three plans are Open Access plans. You do not need to have a primary care physician and do not need to obtain a referral before seeing a specialist. All three plans also offer free preventive/wellness care (no co-pays or co-insurance). There are some differences between the plans noted in the comparison charts; however, **all three plans cover the exact same diagnoses and treatments.**

All three plans are also available nationwide through the BCBS family of networks; however there are greater savings when using the plan in state through the BCBS of Arizona network.

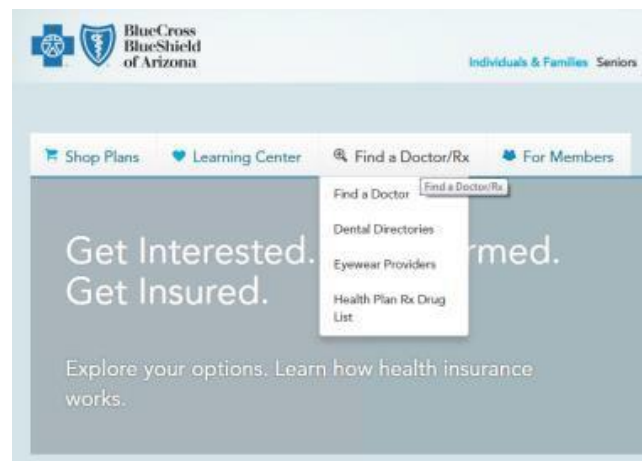

The Copper Plan, is a PPO plan that offers in-network and out-of-network benefits. In-network providers will give you the greatest cost savings and out-of-network providers will have the highest out-of-pocket costs. The Copper plan has the highest premiums but also the lowest deductibles.

The Teal Plan, is an EPO plan that provides in-network benefits only, which means only physicians, facilities or other health care professionals who belong to the BCBS network will be covered.

The Heritage Plan, is an EPO high deductible health plan that offers only in-network benefits but it also includes a Health Savings Account feature which is partially funded by the Town through payroll contributions. Employees who elect this option must apply for the HSA account if they wish to be eligible for Town contributions to the HSA. Employees can also contribute money on a pre-tax basis to help offset the plan deductible or roll it over to use for medical care in future years. Changes in employee contributions to the HSA can be made at any time during the year by contacting HR.

Choosing the Best Plan for You

- 1 Assess the costs you expect in the coming year. This includes premiums (pg. 9), co-pays and co-insurance (pg. 16).
- 2 Use the comparison charts (pg. 16) to evaluate the difference between the plans, understanding your and your family's needs while comparing plan information.
- 3 Determine if your doctor/specialist is contracted with the BCBS network (www.azblue.com use 'Find a Doctor' link).

- 4 You can also call BCBS for pre-enrollment information at: (844) 817-4117
- 5 Use the online plan comparison tool to estimate your costs on each of the plans. <https://www.comparemyhsa.com/townofmarana>

MEDICAL PLAN INFORMATION

The Heritage Plan- Did You Know?

- 1 The **Heritage Plan** is a High Deductible Health Plan (HDHP) (sometimes called a Consumer Driven Health Plan) with a Health Savings Account (HSA).
 - The Health Savings Account (HSA) is a special savings account where an employee can set aside pre-tax money to be used for health related expenses.
- 2 The Heritage Plan offers financial advantages in the following ways:
 - No cost for Preventive/Wellness Care- including preventive prescriptions
 - Contributions made into the corresponding HSA account are pre-tax (lowers your taxable income)
 - Lowest premiums
 - Lower coinsurance than the Teal plan, same as the Copper plan
 - The higher premium you would pay if enrolled in the Copper or Teal plan can be contributed into your HSA account instead (to help build up your savings account).
- 3 The difference in deductibles between the Teal Plan and the Heritage plan is less than the amount the Town is contributing into the HSA plan (meaning the **Town contributions offset the difference**, and then some).

The Health Savings Account (HSA)- Did You Know?

- 1 The **Health Savings Account (HSA)** can be used to pay for health related expenses (deductible, co-pays, co-insurance, non-covered health expenses or services) for you and your dependents.
- 2 The account belongs to the employee, even after your employment with the Town ends
 - It's a great way to set aside pre-tax money for your future health needs
- 3 The Town contributes money into your account, at no cost to you
- 4 You can contribute pre-tax money into the account for greater tax savings (reduces your taxable income)
 - Monies deposited in your HSA are yours, you do not lose them when you separate employment (this includes the contributions the Town made into your HSA account).
- 5 There is no use-it-or-lose-it rule, the monies keep accumulating for your future health related needs
- 6 Monies in your HSA or investment income accrue tax-free interest
- 7 Distributions from your HSA are tax-free as long as they are used for qualified medical expenses. If not, taxes and penalties may apply.

Am I Eligible for the HSA?

To be eligible for the HSA plan you must:

- Be enrolled in the Heritage Plan (HDHP)
- Cannot be covered under another plan that is not a HDHP (i.e. a dependent on someone else's plan if it's not a high deductible plan, or if your spouse has an FSA plan)
- Cannot be claimed as a dependent on another person's tax return
- Cannot open a new HSA or contribute to an existing HSA once you become eligible for Medicare. Please speak to HR before enrolling if you are 65+ or will be turning 65 during the coming plan year or are otherwise eligible for Medicare.

FLEXIBLE SPENDING ACCOUNTS

Click on the bubble to go to the carrier website

Flexible Spending Account Options

Flexible Spending Accounts (FSA's) allow you to use pre-tax money to pay for necessary health and dependent care expenses, reducing your taxable income and, therefore, decreasing your taxes. Elections cannot be changed during the plan year unless you experience a qualifying event. **Our FSA provider is ASI Flex.**

All pre-tax funds that are not used for eligible expenses incurred during the plan year will be forfeited. This is mandated under the IRS "use it or lose it" rule. To avoid forfeiture, you should plan carefully. **You have from July 1, 2024 through June 30, 2025 to use account funds.**

2024 Contribution Limits

ANNUAL LIMITS	MINIMUM	MAXIMUM
HEALTH CARE	\$100	\$3,200
DEPENDENT CARE	\$100	\$5,000 (\$2,500 if married filling separately)

Health Care FSA

Used for your own, your spouse and your eligible dependents' non-reimbursed expenses including medical, dental, vision, copays and prescription drugs. Visit www.asiflex.com for a complete list of qualified expenses.

NOTE: Employees electing the Heritage plan with the HSA cannot enroll in the Health Care FSA.

Benefits Debit Card for Health FSA

- The FSA debit card is free and can be used to pay your eligible medical expenses.
- You can pay for medical, dental and vision prescriptions, copays, deductibles, etc. instead of spending cash, writing checks or using other credits cards, with virtually no need to submit receipts.

- The debit card may only be used in conjunction with your Medical FSA; not your Dependent Care FSA. You do not need to elect to receive the benefits debit card, you will automatically receive one if you elect a medical flexible spending account. It is your option to use it.
- If you choose not to use the card, you may complete and submit a reimbursement request form with the receipt/statement attached, or upload your claim through ASI's mobile app. A reimbursement check will be mailed to you, or funds can be direct deposited into your account at no expense.

Dependent Care FSA

Used for daycare expenses for dependents up to the age of 13. It may also be used for care of a spouse/dependent of any age who requires daily living assistance.

Ineligible Expenses

Some expenses may not be eligible for reimbursement under current IRS regulations. For a complete list of ineligible expenses, see IRS Publication 502 "Medical and Dental Expenses," visit the IRS website: www.irs.gov. ASI Flex may need to review a receipt to determine if the expense was eligible, they will send you a receipt reminder. If you do not respond, ASI Flex will deactivate the debit card and ineligible expenses will be reported as taxable income on your W-2. To avoid the need for review of receipts, use your card at participating merchants that utilize the Inventory Information Approval System (IIAS). Be sure to retain your receipts.

SHORT TERM DISABILITY

Click on the bubble to go to the carrier website 

Short Term Disability

The Town provides basic Short-term Disability Insurance through The Standard at no cost to the employee. The coverage provides income replacement if you are sick or injured (non-occupational) and cannot work.

All benefit eligible employees are automatically enrolled in the Short Term Disability plan, at no cost to you. The coverage is equal to 60% of your weekly earnings, capped at \$1,000 weekly maximum benefit.

Short-term Disability Buy Up Option

You may purchase additional Short term Disability coverage that will “buy up” your benefit an additional 10%, to 70% of your weekly earnings, capped at \$2,000 weekly maximum benefit.

The cost to buy up your coverage is based on your annual earnings, and the STD rate of \$0.085 is calculated for every \$10.00 of your weekly benefit. Refer to the tables on pg. 10 for additional information and assistance with the calculations for your buy up per pay period cost.

Elimination Period

There is a 14 day waiting period, benefits commence on the 15th day of disability for non-work related accidents and illness.

Duration of Coverage

Benefits will continue until the 26th week of disability (includes the elimination period).

Evidence of Insurability

If you are not currently enrolled in the STD Buy-Up Option, you may do so during an annual enrollment period; however, you will be required to provide Evidence of Insurability* (EOI).

*EOI requirement is waived for new enrollees electing coverage as a new hire.

When to file a claim

If you are unable to perform the essential duties of your job due to accidental bodily injury, sickness, mental illness, substance abuse or pregnancy, and as a result, you are earning less than 20% of your pre disability weekly earnings or you are able to perform some, but not all, of the essential duties of your occupation and as a result, you are earning less than 80% of your pre disability weekly earnings. The Standard will determine if your claim is a compensable claim.

You can file your claim online:

The Town of Marana is proud to offer our benefit eligible employees with retirement plans through the Arizona State Retirement System (**ASRS**), the Public Safety Personnel Retirement System (**PSPRS**), the Corrections Officers Retirement Plan (**CORP**) and the Elected Officials Defined Contribution Retirement System (**EODCRS**). Participation in the retirement plans is mandatory for all employees who work more than 20 hours per week for more than 20 weeks in a fiscal year (July 1-June 30).

Arizona State Retirement System (ASRS) is for all eligible employees who are not employed as a sworn peace officer, corrections officer, or elected official. The contribution rates for ASRS are evaluated and adjusted each fiscal year. The employee and Town both contribute to the plan equally.

Fiscal Year 2025 Contribution Rates Effective July 1, 2024

	RETIREMENT & HEALTH INSURANCE BENEFIT	LONG TERM DISABILITY PLAN	TOTAL
EMPLOYEE	12.12%	0.15%	12.27%
EMPLOYER	12.12%	0.15%	12.27%

The employee's contributions are always vested. The employer contributions are not vested and are only available to the employee at the time they file for retirement through the different pension options for disbursement.

Please refer to the ASRS website, www.azasrs.gov for additional information about your retirement plan and calculators to estimate your pension upon retirement.

You will set up your account during Benefit Orientation. You will need to log back in later (after receiving a confirmation email from ASRS) to manage your beneficiary information.

The Public Safety Personnel Retirement System manages the plans for PSPRS, CORP, and EODCRS. Only sworn peace officers (**PSPRS**), current corrections officers (**CORP**) and elected officials (**EODCRS**) are members of these plans.

Contribution Rates are based on your membership date. Please refer to your New Hire materials for additional information regarding your PSPRS or EODCRS account enrollment and plan contributions. New plan members in PSPRS have 90 days to make a retirement plan decision.

Additional information about your retirement plan is available at www.psprs.com.
